1988 Land Evaluation and Site Assessment results:
- parcel number
- LESA score

Important farmland soil rating:
- Prime
- Statewide

Data sources:
- Agricultural soil delineations are taken from the USDA data layer SDOAG, Prime Agricultural Soils in Vermont. These data were derived from U.S. Department of Agriculture, Natural Resources Conservation Service, SDOAG soil data.
- Farm parcel numbers and LESA scores are taken from a 1988 Halifax Agricultural Lands map that was developed from a 1988 Land Evaluation and Site Assessment (LESA) study.
Existing Land Use
Town of Halifax, Vt.
October 2018

Data sources:
- Building locations are extracted from the VGIS data layer ESRI, originally created using Global Positioning System technology for the Vermont Enhanced 9-1-1 project. Data are current to 2018.
- Parcel lines were originally developed by Dan Menery, former lister for the Town of Halifax, and have been updated by Diana Todd. Data current to 2017.
- Parcels with conservation easements were identified from Vermont Land Trust data.
- Parcel lines were extracted from the Town of Halifax parcel data by WRC using data provided by the Vermont Department of Taxes.
Bear habitat, Halifax and vicinity:

- Bear production habitat
- Seasonal bear habitat

Natural Resources

Town of Halifax, Vt.

October 2018

Data source:

- Locations of rare species and significant natural communities were determined from VT ANR Department of Fish and Wildlife, Nongame and Natural Heritage Program's Rare, Threatened and Endangered Species and Significant Natural Communities database. The data used are current to January 2018. Locations are approximate, but generally within 500 feet. For further information, contact the Nongame and Natural Heritage Program.

- Wetlands are those included in the Vermont Significant Wetlands Inventory (VSWI) as of 2010. These wetlands are those that were in the original VSWI data, as well as those from National Wetlands Inventory (NWI) maps. These data show approximate locations of wetlands that are generally 3 acres or larger.

- Special Flood Hazard Area boundaries (i.e., "the 100-year floodplain") are from FEMA (Federal Emergency Management Agency) D-FIRM (Digital Flood Insurance Rate Map) data effective July 27, 2007.

- Deer wintering areas are from 1988 Halifax Town Plans maps.

- Natural areas are designated by the Town of Halifax.

- Bear habitat is from a statewide database created by VT ANR Department of Fish and Wildlife.

- Natural River Corridors are from VT ANR Rivers Program 2013 data (VGIS data layer RIVERCORRIDORS).

- Contour lines were generated from Digital Terrain Models by WRC.
Town Facilities and Transportation

Town of Halifax, Vt.
October 2018

Historic site/structure:
1. West Halifax Community Hall
2. West Halifax Bible Church
3. Crozer Store
4. Halifax Union Society
5. Scott House
6. Charlie Learned House
7. Elijah P. Green House
8. Stone's Farm
9. Judahiah North House
10. Miner House
