- River or pond

Data sources:
 - Zoning district boundary data were created by WRC based on information supplied by the Town of Wilmington. Boundaries in most cases coincide with parcel boundaries, roads, or setbacks from roads, and GIS data of parcels and roads were used as data sources.
 - Parcel data were developed by Cartographic Technologies, Inc. (CTI) Brattleboro, Vt. from Wilmington's 1:5000-scale parcel maps. The data are current to 2015.

Historic Review District Village of Wilmington, Vermont

adopted October 7, 2009

100 0 100 200 300 400 Feet

The letters at each corner of the district boundary are referenced in the boundary description in the text of the zoning ordinance.

Note: due to variations in base mapping, district boundaries may not be properly located with respect to this 2000 ortho-photo.
