

## Windham Region Emergency Management Committee

### Field Trip Agenda

May 8<sup>th</sup> at 3pm

#### **Guest Speaker:**

- Alex Cote, Project Manager, U.S. Army Corps of Engineers, New England District

#### **Agenda:**

1. Tour of the Ball Mountain and Townshend Dams.
2. Follow-up item:
  - The US Army Corps of Engineers will be hosting a webinar on Inundation Maps for Ball Mountain and Townshend Dams on Monday May 13<sup>th</sup> from 1:30 pm-3:00 pm. Alyssa will share meeting information. During the webinar we will meet online to:
    - Explore USACE Dams near you and where flooding may occur
    - Learn how to view, share and download the publicly available inundation maps on NID (<https://nid.sec.usace.army.mil>)
    - Understand the additional information available on the PDF inundation maps which are For Official Use Only and available to our Emergency Management and Preparedness Partners. \*These PDFs will be shared the week prior to the webinar\*
    - Discuss how to choose the appropriate inundation map in various emergency scenarios
3. Reminders and other items:
  - Topic suggestions/requests for future meetings/events/trainings
  - The latest Vermont Emergency Management newsletter: <https://vem.vermont.gov/contact-us/newsletter>
  - REMC business – as needed
4. Our next REMC informational session will be Wednesday, August 7<sup>th</sup> and will feature staff from the USACE to discuss dam event communication protocols around communicating with towns and the public.
5. Thank you for attending!
