4:10 p.m. Overview of VTrans Project Selection and Prioritization Process

The Committee will review the Agency of Transportation Project Selection and Prioritization Process. Also known by the acronym VPSP2, this is the process by which VTrans prioritizes and selects infrastructure projects for the statewide Capital Program. Beginning in 2021, VTrans has provided municipalities across Vermont the opportunity to submit local projects to be considered for selection on the infrastructure project list. It is the responsibility of the Windham Region Transportation Committee to review and score each submitted local project based on a variety of criteria identified by VTrans. The top scoring regional projects are then selected to be submitted to AOT for further consideration. This process was paused in 2023 and 2024 but is expected to resume in the Spring of 2025.

4:45 p.m. Local Transportation Issues

The Committee will discuss the transportation challenges and opportunities that face our towns. Towns across the state face a variety of ongoing challenges to the maintenance and improvement of our transportation infrastructure. This discussion will give commissioners the opportunity to share their town's experiences and discuss potential solutions as a region.
