4:10 p.m. VTrans Grant Opportunities

The Transportation Advisory Committee will discuss current grant funding opportunities for transportation infrastructure from the Vermont Agency of Transportation. This includes the Better Roads, Transportation Alternatives, Federal Lands Access Program and Better Connections and Municipal Highway and Stormwater Mitigation programs. These are the primary funding source for resiliency projects, culvert replacements, and bicycle and pedestrian infrastructure projects, among other. These programs are currently open to applications, with deadlines ranging from November until December.

4:30 p.m. Ongoing Transportation Projects in the Windham Region

The Committee will discuss ongoing transportation projects in the Windham Region that have been funded through a variety of grant programs over the past few years. These projects provide a good example of the kind of projects that can be funded through grants and help towns improve their transportation infrastructure. Examples include but are not limited to Box Culvert projects in Windham, Guilford, Athens, Newfane and Stratton, Sidewalk and/or Mixed-Use path projects in Newfane, Guilford, Wilmington, Putney and Rockingham, as well as a corridor study in Brattleboro. Additionally, several towns have ongoing scoping study projects, including Stratton and Jamaica.

5:00 p.m. Adjourn

Windham Regional Commission is inviting you to a scheduled Zoom meeting.
