4:10 p.m. Presentation on Moover Transit Service

Christine Howe from Southeast Vermont Transit will present on transit service in Southeast Vermont. This includes trends on ridership in Southeast Vermont and the larger context impacting public transportation in our Region and across Vermont, in addition to the micro transit and the Older Adults & Persons with Disabilities Transportation service. Public transportation is a vital part of the overall transportation network in the region and central to Windham Regional's multi modal mobility goals outlined in the Windham Regional Plan. The Committee will discuss transit in the Windham Region and role of the Windham Regional Transportation Committee in supporting and promoting robust public transit in our region.
