Data Sources:

- Data on building locations were originally developed using by MapMaker Photogrammetric Services, St. Albans, Vt. in 2002. These data have been edited, updated, and attributed by Windham Regional Commission in 2005, 2012, and 2015. Building address information was provided by the Town of Rockingham, and building use information was derived from E911 ESITE data.

- Data on streets and driveways were originally developed using by MapMaker Photogrammetric Services, St. Albans, Vt. in 2002. These data have been edited by Windham Regional Commission in 2005 and 2015.

- Parcel boundaries are taken from tax map data created by DiBernardo Associates, Bellows Falls, Vt. in 2012. On small parcels at large scales, parcel boundaries and building locations may not line up particularly well.
