

Parcel Data Resources – Windham Region of Vermont

a random list of parcel-related stuff that some might find useful

Best source for information on parcels—start here: <https://geodata.vermont.gov/pages/parcels>

On-line tax maps/parcel data:

- statewide parcel data viewers:
 - Vermont Parcel Viewer (VCGI) - <https://maps.vcgi.vermont.gov/parcelviewer/>, includes parcel owner
 - Vermont Natural Resources Atlas (ANR) - <http://anrmaps.vermont.gov/websites/anra5/>, just parcel boundaries; no owner information; the Vermont Parcel Viewer is the best source for parcel data, but the Natural Resources Atlas allows you to view parcel boundaries with many other data layers
- town on-line parcel data viewers (generally includes parcel owner):
 - Brattleboro - <https://www.axisgis.com/BrattleboroVT/> (CAI & AxisGIS) or <https://www.mapsonline.net/brattleborovt> (CAI and PeopleGIS)
